This map has been produced by Northbound Planning Ltd. for the RM of Connaught using information supplied by others. Geospatial data and topographic data have been provided by Information Services Corporation of Saskatchewan, Surface Cadastral Dataset for the production of this map under license to the municipality and/or town. Duplication in whole or in part is prohibited. It is the responsibility of the user to verify the accuracy of the information since changes in information may have occurred after the map was created.

This is not a plan of survey. It is a consolidation of plans to assist in identifying the location, size and shape of a parcel in relation to other parcels. Parcel boundaries and area may have been adjusted to fit with adjacent parcels. To determine actual boundaries, dimensions or area of any parcel, refer to the plan, or consult a Saskatchewan Land Surveyor.
